

WILLIAM B. WINSTON.

[To accompany bill H. R. No. 125.]

MARCH 5, 1840.

Mr. E. DAVIES, from the Committee on Revolutionary Pensions, made the following

REPORT :

The Committee on Revolutionary Pensions, to whom was referred the petition of William Bobby Winston, report :

In the case of William B. Winston, it appears from the testimony that he was placed on the pension-roll (under the act of March 18, 1818) on the 13th of March, 1819, at eight dollars per month, commencing on the 20th of November, 1818. In September, 1819, he was paid the pension due up to the 4th of that month. He was soon after dropped from the pension list, in consequence of its being ascertained that the regiment of Colonel George Gibson, in which he served, was a State regiment, and not on continental service ; the act of 1818 making no provision for any but those belonging to the continental army. In 1830 the Secretary of War decided that the said regiment was on the continental establishment after October, 1777, in consequence of the passage of an act by the Virginia Legislature, directing that Colonel George Gibson's regiment should supply the place of the 9th Virginia continental regiment, which was nearly destroyed at the battle of Germantown. The application for a restoration of pension was rejected by the department, on the ground that no certificate of the poverty of the applicant was produced. The committee are of opinion that William B. Winston is clearly entitled to a pension from the time his name was stricken from the roll ; and therefore report a bill.
